

# EXCEL REMOVALS

Excel Removals has been moving the people of South Yorkshire since the year 2000. We are a family run removal company based in central Rotherham with an emphasis on quality.

Whether it's a small move around the corner or a full house move across the country, excel have the flexibility to handle this. We are pleased to announce our new self storage facility at the Mushroom Roundabout is now open, where we offer storage at a fair price with full contents insurance.

For all of your storage needs - whether they be domestic, archive, commercial or business - we can accommodate your needs. Local storage for local people, without breaking the bank.
